# Social Capital I and II: Mobility Data

November 18, 2022

county_mobility_data.dta and zip_mobility_data.dta are subsets of county_covariates.dta and zip_covariates.dta respectively. The latter datasets are in the "Other public covariate data" folder in this replication package.

# 1 Codebook for Mobility Data Variables

county_mobility_data.dta

| Variable Name | Description |
|---|---|
| county | 5-digit county FIPS code. |
| kfr_pooled_pooled_p25 | Mean income percentile in adulthood of a child born to parents at the $25^{th}$ percentile of the income distribution, from Chetty et al. (2018). |
| pop2018 | Population in 2018 from the ACS. |
| num_below_p50 | Number of children with below-national-median parental household income, from Chetty et al. (2018). |

zip_mobility_data.dta

| Variable Name | Description |
|---|---|
| zip | 5-digit ZIP code tabulation area code. |
| kfr_pooled_pooled_p25 | Mean income percentile in adulthood of a child born to parents at the $25^{th}$ percentile of the income distribution, from Chetty et al. (2018). |
| pop2018 | Population in 2018 from the ACS. |
| num_below_p50 | Number of children with below-national-median parental household income, from Chetty et al. (2018). |
